

By Ted Blackmore - Squires

Street Audit Survey Record – Location.....Mortimer Lane...Basingstoke

Adequacy of access for:

Disability vehicles, prams and pushchairs. Path too narrow, over hanging bushes force people into road.

Access for cyclists. none

	Location	Quantity	Quality
Signage and safety			
Signage			poor
Benches.			ok
Waste bins.			ok
Other street furniture.			
Planting.			good
Warning surfaces.		none	
Non-slip surfaces.		none	
Drop kerbs.	Not good		Blind corner
Mirrors.			
Quality of paths:			
Widths.	all		Too narrow, consider pedestrianising whole street.
Slopes.		ok	
Repairs			poor
Lighting.		poor	
Surveillance.		none	

Other remarks:

Suggest removing vehicle roadway, install pedestrian paving with coloured paving demarking parking / no-parking areas. Priority to pedestrians and disabled / pushchair / trolley users. New and better lighting.
